

## Seasons of Love

by Jonathan Larson

Five hundred twenty five thousand six hundred minutes  
Five hundred twenty five thousand moments so dear  
Five hundred twenty five thousand six hundred minutes  
How do you measure, measure a year?

In daylights, in sunsets  
In midnights, in cups of coffee  
In inches, in miles, in laughter, in strife  
In five hundred twenty five thousand six hundred minutes  
How do you measure, a year in the life?

How about love?  
How about love?  
How about love?  
Measure in love

Seasons of love (love)  
Seasons of love (love)

Five hundred twenty five thousand six hundred minutes  
Five hundred twenty five thousand journeys to plan  
Five hundred twenty five thousand six hundred minutes  
How do you measure the life of a woman or a man?

In truths that she learned  
Or in times that he cried  
In bridges he burned or the way that she died

It's time now, to sing out  
Though the story never ends  
Let's celebrate  
Remember a year in the life of friends

Remember the love  
(Oh, you got to, you got to remember the love)  
Remember the love  
(You know that love is a gift from up above)  
Remember the love  
(Share love, give love, spread love)  
Measure in love  
(Measure, measure your life in love)

Seasons of love  
Seasons of love  
(Measure your life, measure your life in love)
