

Proud Corazon

By Germaine Franco and Adrian Molina

Intro

Say that I'm crazy, or call me a fool
But last night, it seemed that I dreamed about you
When I opened my mouth, what came out was a song
And you knew every word, and we all sang along

Verse 1

To a melody played on the strings of our souls
And a rhythm that rattled us down to the bone
Our love for each other will live on forever
In every beat of my proud corazón
Our love for each other will live on forever
In every beat of my proud corazón

Verse 2

Ay mi familia, oiga mi gente
Canten a coro, let it be known
Our love for each other will live on forever
In every beat of my proud corazón
Ay mi familia, oiga mi gente
Canten a coro, let it be known
Our love for each other will live on forever
In every beat of my proud corazón
