

Start with the right hand.

**Step 1**  
**Point**  
In the middle of a group of 2 black keys (oreo).

**Step 2**  
**Slide**  
Your fingertip to the edge of the key.

**Step 3**  
**Curl and Glue**  
We "glue" our finger in place on the key so that it won't slide around. This helps
